ALL-RISK POLICY**I. INSURING AGREEMENT**

In consideration of the premium paid, and subject to the terms and conditions of this Policy, the Company (ies) listed on the Participation Page, hereafter referred to as the "Company", agree to pay the Named Insured, as stated in the Declarations, for loss as described in this Policy.

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is, and is not, covered.

Words and phrases which begin with a capital letter, other than those which begin a sentence, have special meaning. Refer to the Definition section or to the applicable section headings of the policy or any endorsements thereto.

A. Perils Insured

This policy insures against all risks of direct physical loss or damage to Property Insured from perils not otherwise excluded, subject to the terms and conditions of this policy.

In the event of such direct physical loss or damage to any Property Insured at the Premises Described in the Declarations, and such damage, without the intervention of any other independent cause, results in a sequence of events which causes physical damage to other Property Insured by this policy, then this policy will cover such resulting loss or damage. Nothing in this clause shall be deemed to extend this insurance to property which is otherwise specifically excluded from coverages by the terms of this policy.

B. Territorial Limits

This policy covers Property Insured within the fifty (50) states of the United States of America, the District of Columbia, Puerto Rico and Canada;

C. Property Insured

This policy covers the following kinds of property at the Premises Described in the Declarations unless otherwise excluded:

1. Real property, including improvements and betterments, owned by the Insured, or in which the Insured has an insurable interest; and
2. Personal property owned by the Insured; and
3. Personal property of others which the Insured, prior to a loss, has agreed to insure against the types of losses covered by this policy; and
4. Personal property of others in the custody of the Insured and for which the Insured is legally liable; but only to the extent of the Insured's legal liability therefore. This Company agrees to defend any suit against the Insured alleging liability for the damage or destruction of such personal property, even if the allegations of the suit are false, fraudulent, or groundless. The Company may make such investigation or settlement of such suit as the Company deems appropriate.
5. Personal property of employees, other than motor vehicles.

JW ALUMINUM COMPANY

This policy also covers the following kinds of property, owned by the Insured or others in the custody of the Insured and for which the Insured is legally liable:

6. electrical transmission and distribution lines, line transformers, towers and poles, cables, pipes and pipelines, and equipment or apparatus connected therewith while situated on or within 1 mile of the Premises Described in the Declarations.

D. Newly Acquired Locations

Subject to its terms and conditions, this policy also covers property at Newly Acquired Locations, rented, purchased or in the course of construction, acquired after the inception date of this policy for a period of ninety (90) days from the date of acquisition. Permanent coverage may be provided subject to notification to and acceptance by the Company at terms to be agreed upon at the time of acceptance. There shall be no liability under this coverage for loss or damage caused by or resulting from the perils of Zone A Flood or Earth Movement in Alaska, California, Hawaii and Puerto Rico.

The Company's total liability under this provision shall be limited to the Sublimit of Liability for Newly Acquired Locations specified in the Declarations, as more fully explained in the Limits and Sublimits of Liability Condition of this policy.

E. Additional Coverages

1. Debris Removal

This policy shall also pay the cost of removing debris of Property Insured that is destroyed or damaged by a Peril Insured herein at Premises Described in the Declarations. The Company's total liability for such payment shall not exceed the greater of (1) 25% of the Company's liability, prior to the application of any deductible(s), for the direct physical loss or damage to Property Insured which necessitated the debris removal, or (2) \$25,000,000. However, in no event shall the Company's liability exceed the amount actually expended by the Insured for the removal of debris. This provision does not include the cost of removing Hazardous Substances or Contaminants from Property Excluded, nor for the cost to remove, restore or replace such property. The coverage that is provided by this provision is part of, and not in addition to, the limits of liability specified elsewhere in this policy.

No liability shall exist under this provision unless such costs are reported to the Company within one hundred eighty (180) days of the date of the Occurrence or the expiration of this policy, whichever shall be earlier.

2. Demolition and Increased Cost of Construction

If at the time of any direct physical loss or damage insured against by this policy there is in force any law, ordinance, rule or regulation regulating the construction, repair, replacement or use of buildings or structures, then this policy is extended to cover:

- a. the additional loss sustained in demolishing any undamaged portion of the buildings or structures necessitated by such law, ordinance, rule or regulation; and
- b. the cost incurred in actually rebuilding both the damaged and demolished portions of such buildings or structures in a manner to satisfy such law, ordinance, rule or regulation.

No liability is assumed under this provision for any increase of loss associated with the enforcement of any law or ordinance, which requires the Insured, or others, to:

JW ALUMINUM COMPANY

- a. test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess, the effects of Hazardous Substances or Contaminants;

The total liability under this provision shall not exceed the actual expenditure incurred in demolishing the undamaged portion of the building(s) or structure(s) involved, plus the lesser of the following:

- a. the actual expenditure incurred, not including the cost of land, in rebuilding on another site; or
- b. the cost of rebuilding on the same site.

The Company's total liability under this provision shall not exceed the greater of \$25,000,000 or, where specified, the Sublimit of Liability for Demolition and Increased Cost of Construction shown in the Declarations, as more fully explained in the Limits and Sublimits of Liability Condition of this policy.

3. Expediting Expense

This policy shall also pay for the reasonable extra cost to make temporary repairs and to expedite the permanent repair or replacement of Property Insured damaged by a Peril Insured, including overtime and the extra cost of express or other rapid means of transportation.

The Company's total liability under this provision shall be limited to the Sublimit of Liability for Expediting Expenses specified in the Declarations, as more fully explained in the Limits and Sublimits of Liability Condition of this policy.

4. Fire and Police Department Service Charge

This policy is extended to cover reasonable expenses charged by fire or police departments as a result of a loss as insured hereunder.

5. Hazardous Substances or Contaminants

If, as a result of an Occurrence insured hereunder, any property on the Premises Described in the Declarations is damaged, contaminated or polluted by Hazardous Substances or Contaminants, the Company shall be liable under this policy and any of its endorsements, for the additional expenses incurred for cleanup, repair or replacement, or disposal of that damaged, contaminated or polluted property. As used here, additional expenses shall mean expenses incurred beyond those for which the Company would have been liable if no Hazardous Substances or Contaminants had been involved in the Occurrence.

The Company's total liability under this provision shall be limited to the greater of \$1,000,000 or, where specified, the Sublimit of Liability for Hazardous Substances or Contaminants shown in the Declarations, as more fully explained in the Limits and Sublimits of Liability Condition of this policy.

6. Miscellaneous Unnamed Locations

This policy is extended to cover Property Insured while at fixed locations not included in the Premises Described in the Declarations. This coverage applies to physical loss or damage and Time Element coverages, excluding Flood Zones A and V (including subzones) and Earth Movement in Alaska, California, Hawaii and Puerto Rico.

JW ALUMINUM COMPANY

The Insured shall, as of the inception date of this policy, and within ninety (90) days of each anniversary thereafter, send to the Company a statement of the insurable values of such locations as of the most recent inception or anniversary date. These statements shall be the basis for premium to be charged for this coverage. Failure to provide such statement in the time required shall void this extension.

Coverage under this extension shall not apply to signs, tracks, trestles, bridges, tunnels, electrical transmission and distribution lines, line transformers, towers and poles, cables, pipes and pipelines, equipment or apparatus connected to any of the preceding, property contained within any vehicle or other conveyance, or property in the due course of transit.

Liability under this provision shall not exceed the greater of \$5,000,000 or, where specified, the Sublimit of Liability for Miscellaneous Unnamed Locations shown in the Declarations, as more fully explained in the Limits and Sublimits of Liability Condition of this policy.

7. Pairs and Sets

In the event of direct physical loss or damage to any article or articles which are part of a pair or set, this policy is extended to cover the fair and reasonable proportion of the pair or set. Due consideration shall be given to the importance of said article or articles, but in no event shall such loss or damage be construed automatically to mean the total loss of the pair or set, and due consideration shall be given to any remaining value.

8. Transit

This policy is extended to cover direct physical loss or damage not otherwise excluded to Property Insured while in transit within the territorial limits of this policy. The Insured may accept bills of lading or receipts from carriers, bailees, warehousemen, or processors limiting their liability, but this provision shall not inure to the benefit of any carrier, bailee, warehouseman, or processor.

The Insured's rights shall not be prejudiced by any agreements exempting lightermen from liability.

This policy excludes property of others, and the Insured's legal liability therefor, being hauled on vehicles owned, leased or operated by the Insured when acting as a common or contract carrier as defined by either the Interstate Commerce Commission or other regulatory agencies. In addition, this provision shall not include coverage for any conveyance used as the mode of transportation for property in transit.

This policy excludes property on waterborne shipments to and from any point and Hawaii, Alaska and Puerto Rico, except within their 12 miles of coastal waters; but shall not exclude

 - c. any injunction or process of any court.
- 7. Lack of incoming electricity, fuel, water, gas, steam or refrigerant caused by an Occurrence not at the Premises Described in the Declarations; but, if such a lack of service causes direct physical loss or damage not otherwise excluded to property otherwise insured by this policy while located on the Premises Described in the Declarations, then this policy shall cover such resulting loss or damage.
- 8. The cost of removing any product subject to a Product Recall, whether the removal is voluntarily undertaken by the Insured or mandated by any executive, legislative, administrative or judicial order, and any Time Element losses resulting from such removal.

D. Other Exclusions

- 1. This policy does not insure loss or damage caused by or resulting from any of the following, regardless of any other cause or event that contributes concurrently or in any other sequence to the loss or damage:

Extremes or changes of temperature or changes in relative humidity, all whether atmospheric or not; exposure to light; change in color or flavor or texture or finish; condensation, dampness, depletion, disease, wet or dry rot, inherent vice, latent defect, mildew, mold, spoilage, or decay; unless such damage results directly from other direct physical damage not otherwise excluded by this policy.

III. PREMIUM

The Premium shown in the Declarations shall be for the first twelve (12) month period commencing with the effective date of this agreement. This amount shall be subject to adjustment for the coverage of newly constructed properties or properties otherwise acquired or sold during that period, at terms to be agreed upon at the time of such acquisition, sale, or commencement of construction.

Premium for subsequent twelve (12) month periods may be adjusted at each anniversary computed at the rates in effect for such period.

IV. CONDITIONS

A. Abandonment

There shall be no abandonment to the Company of any property.

B. Action Against Company

No action shall lie against the Company unless, as a condition precedent thereto, the Insured shall have fully complied with all the terms of this policy, and unless commenced within twelve (12) months from the date of the Occurrence.

C. Appraisal

If the Insured and this Company fail to agree on the amount of loss, then, on the written demand of either, each shall select a competent and disinterested appraiser and notify the other of the appraiser selected within twenty (20) days of such demand. The appraisers shall first select a competent and disinterested umpire, and, if failing for fifteen (15) days to agree upon such umpire, then, on the request of the Insured or this Company, such umpire shall be selected by a judge of a state or federal court of record in the state in which the damaged property is located. The appraisers shall then appraise the loss, stating separately the loss to each item; and, failing to agree, shall submit their differences, only, to the umpire. An award in writing, so itemized, of any two when filed with this Company shall determine the amount of loss and shall be binding and final. Each appraiser shall be paid by the party selecting him and the expenses of appraisal and umpire shall be paid by the parties equally.

D. Assignment

Assignment or transfer of this policy shall not be valid except with the prior written consent of the Company.

E. Assistance and Cooperation of the Insured

The Insured shall cooperate with the Company, and upon the Company's request and expense, shall attend hearings and trials and shall assist in effecting settlements, securing and giving evidence, obtaining the attendance of witnesses and in conducting suits.

F. Brands and Labels

In case of damage to property that is covered by this policy and bears a brand, trademark, or label that in any way carries or implies the guarantee or the responsibility of the manufacturer or Insured, the salvage value of such damaged property shall be determined after removal of such brands, trademarks or identifying characteristics. The cost of such removal shall be borne by the Insured.

G. Cancellation

The Company may cancel this insurance by giving the Insured written notice stating when, not less than ninety (90) days thereafter, (ten [10] days for nonpayment of premium) such cancellation shall be effective. This insurance may be canceled at any time by the Insured by surrender of this policy to the Company or by mailing or delivery to the Company written notice stating when thereafter such cancellation shall take effect.

JW ALUMINUM COMPANY

Return premium shall be allowed the Insured on a pro rata basis if the Company cancels and on a short rate basis if the Insured cancels.

Payment or tender of any unearned premium by the Company shall not be a condition precedent to the effectiveness of Cancellation, but such payment shall be made as soon as practicable.

H. Company's Options

It shall be optional for this Company to take all, or any part, of the property at the agreed or appraised value, and also to repair, rebuild or replace the property destroyed or damaged with other of like kind, size, capacity and quality within a reasonable time, on giving notice of its intention to do so within thirty (30) days after the receipt of proof of loss herein required.

I. Deductibles

There shall be deducted from the amount of each claim for loss or damage arising out of one Occurrence, as defined herein, the amount stated in this policy as Deductible. Except as set forth below or as specifically endorsed hereon, in the event that more than one Deductible amount applies to any one Occurrence, then only the largest Deductible amount for that Occurrence shall be applied.

If this policy insures against both Property Damage and Time Element losses, the deductible amount(s) as shown in this policy shall apply separately to each such coverage, unless otherwise noted herein or endorsed hereon, even if both are involved in a single Occurrence.

If Time Element coverage(s) is endorsed to this policy, the terms of the deductibles applying to such coverage(s) shall be as set forth in such endorsement(s).

J. Due Diligence

The Insured shall, at the Insured's own expense, take all reasonable precautions to prevent imminent loss or damage to the Property Insured. The Insured shall also consider all reasonable recommendations of the Company to prevent direct physical loss or damage to the Property Insured.

K. Errors in Description

Any error in the description of the Premises Described as shown in the Declarations of this policy shall not operate to the prejudice of the Insured.

L. Inspection

The Company shall be permitted, but not obligated, to inspect, at all reasonable times, the property of the Insured. Neither the Company's right to make inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of, or for the benefit of, the named Insured or others, to determine or warrant that such property is safe or healthful, nor that such property complies with laws, regulations, codes, or engineering or industry standards.

M. Limits and Sublimits of Liability

The Company shall not be liable for more than the amount shown in the Declarations as the Policy Limit of Liability for any one Occurrence. The inclusion of more than one Insured shall not operate to increase the limits of the Company's liability.

This policy may contain Sublimits of Liability applicable to specific coverages, specific causes of loss, specific kinds of loss, or specific locations. Any applicable sublimits are set forth in the

JW ALUMINUM COMPANY

Declarations. The Company shall not be liable for more than the amount of the Sublimit of Liability for any coverage for which there is a Sublimit of Liability specified in the Declarations. Each Sublimit of Liability shown in the Declarations is a part of, but is not in addition to, the Policy Limit of Liability. The Sublimit of Liability specified in the Declarations as applicable to a specific cause of loss shall apply to all losses arising out of any one Occurrence, whether such losses include damage to real or personal property, Time Element loss (if such coverage is separately endorsed hereon), or both.

EXAMPLES:

(1) Assume the policy contains a Time Element sublimit of \$20,000,000 and a Flood sublimit of \$5,000,000. A flood occurs, and the Insured sustains a property damage loss of \$10,000,000 and a Business Interruption (Time Element) loss of \$10,000,000. The Insured can recover only \$5,000,000 (total for both the property damage and for the Time Element losses) because the applicable Sublimit of Liability for Flood is \$5,000,000.

(2) Assume the policy contains a Time Element sublimit of \$5,000,000 and a Flood sublimit of \$15,000,000. A flood occurs, and the Insured sustains an \$8,000,000 property damage loss and a Business Interruption (Time Element) loss of \$10,000,000. The Insured can recover only \$13,000,000 (\$8,000,000 for property damage and \$5,000,000 for Time Element) because the Time Element sublimit is \$5,000,000.

The insurance provided by this policy as respects the perils of Earth Movement and Flood shall be subject to the annual aggregate sublimits as shown in the Declarations. The Company shall not be liable for more than the amount specified in the Declarations as annual aggregate for any one policy year as respects losses caused by the perils of Earth Movement and Flood. However, fire or explosion which occur as a direct result of a Flood or Earth Movement shall not: (1) be limited to the Flood or Earth Movement Sublimit, nor; (2) contribute to the annual aggregate for Flood or Earth Movement.

N. Loss Payable

Loss, if any, shall be adjusted with the Named Insured and shall be payable to the Insured and to any Mortgagee, Loss Payee, or other Named Insured, or as otherwise directed by the Insured.

O. Misrepresentation

This entire policy shall be void if any Insured, whether before or after a loss, has willfully concealed or misrepresented any material fact or circumstance concerning this insurance or the subject thereof or has committed any act of fraud, attempted fraud or false swearing touching any matter relating to this insurance or the subject thereof.

P. Other Insurance

The Company shall not be liable for loss under this policy if, at the time of loss, there is any other insurance which would attach if this insurance had not been effected, whether collectible or not. This insurance shall apply only as excess, and in no event as contributory insurance, and then only after all other insurance has been exhausted.

Q. Report of Values

Within ninety (90) days of each anniversary, the Insured shall file with this Company a statement of the 100% replacement cost values compiled as of the Insured's most recently ended fiscal year.

In the event the Insured fails to furnish the above values which are acceptable to this Company, then this Company shall not be liable under this policy for a greater proportion of any loss to

JW ALUMINUM COMPANY

Property Insured than the amount shown on the Reported Values Endorsement bears to the 100% replacement cost at the time of the loss.

R. Requirements in Case of Loss

When any Insured loss or damage occurs, written notice shall be given by or on behalf of the Insured to the Company or any of its authorized agents as soon as practicable. The Insured shall protect the property from further damage and separate the damaged and undamaged personal property. The Company shall have reasonable time and opportunity to examine the property and the premises of the Insured before repairs are undertaken or physical evidence of the loss or damage is removed, except for protection or salvage.

The Insured shall submit a proof of loss statement, signed and sworn to by the Insured, as soon as practicable after a loss, but in no event later than ninety (90) days thereafter. It shall be in such a form as the Company may require, stating the knowledge and belief of the Insured as to the time and origin of the loss, the interest of the Insured and all others in the property, the value of the property involved, and the amount of loss or damage. It shall also show all encumbrances thereon; all other contracts of insurance, whether valid or not, covering any of said property; and any changes in the title, use, occupancy, location, possession, or exposures of said property since the issuance of the policy, and, if required and obtainable, shall furnish verified plans of the buildings, fixtures, and machinery destroyed or damaged.

The Insured, as often as may be reasonably required, shall produce for examination all books of account, bills, business records, invoices and other vouchers, or any other documents reasonably related to the procurement of this policy or to the scope and extent of the loss at such reasonable time and place as may be designated by this Company, and shall permit extracts and copies thereof to be made.

The Insured, and any officer, director, or employee thereof, shall, as often as may be reasonably requested by this Company, submit to examination under oath by any person named by this Company, while not in the presence of any other Insured, about any matter relating to this insurance or to any claim, and the Insured shall sign and return the original transcript of the examination within thirty (30) days after submission to the Insured.

S. Salvage and Recovery

When, in connection with any loss hereunder, any salvage or recovery is received subsequent to the payment of such loss, the loss shall be recalculated on the basis on which it would have been determined had the amount of salvage or recovery been known at the time the loss was originally determined. Any amounts thus found to be due either party from the other shall be paid promptly.

T. Special State Requirements

Any and all provisions of this policy which are in conflict with the statutes of the State wherein this Policy is applicable are understood, declared, and acknowledged by this Company to be amended to conform to such statutes.

U. Subrogation

In the event of any payment under this policy, the Company shall be subrogated to the Insured's rights of recovery therefore against any person or organization, and the Insured shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights. The Insured shall do nothing after the Occurrence to prejudice such rights. However, permission is granted the Insured to waive subrogation provided such waiver is entered into by the Insured in writing, prior to the loss insured hereunder. Any recovery as a result of subrogation proceedings shall, after deduction of all expenses of such action, including attorneys' fees, be prorated

JW ALUMINUM COMPANY

between the Insured and the Company in the proportion that the amount of the loss paid by each bears to the total provable loss.

V. Suspension

Upon the discovery of a dangerous condition with respect to any Object insured by this policy, any representative of the Company may immediately suspend the Insurance applicable to said Object by written notice mailed or delivered to the Insured at the address of the Insured as specified in the Declarations, or at the location of the Object. The insurance so suspended may be reinstated by the Company, but only by an endorsement issued to form a part of this policy. The Insured shall be allowed the unearned portion of the premium paid for such suspended insurance, pro rata, for the period of suspension.

As used in this policy, Object shall mean any boiler, fired or unfired pressure vessel, refrigerating or air conditioning system, piping and its accessory equipment and any mechanical or electrical machine or apparatus used for the generation, transmission or utilization of mechanical or electrical power.

W. Term of Insurance

"Term of Insurance", as shown in the Declarations of this policy, shall mean that period of time from 12:01 A.M. to 12:01 A.M., Standard Time, as to each of said dates shown, at the place where the loss occurs.

X. Vacant/Unoccupied Premises

Permission is given to cease operations, or for the premises to be vacant or unoccupied for ninety (90) consecutive days and for more than ninety (90) consecutive days provided:

1. the same degree of fire protection and watch service is maintained as existed at the time of the discontinuance of normal operations; and,
2. that written notice is given to the Company prior to the ninetieth (90) consecutive day.

Y. Valuation

Unless otherwise endorsed hereon, adjustment of loss under this policy shall be:

1. on raw materials, supplies and other merchandise not manufactured by the Insured, the replacement cost; and
2. on stock in process, the value of raw materials and labor expended plus the related proportion of overhead charges; and
3. on finished goods manufactured by the Insured, the regular cash selling price at the location where the loss occurs, less all discounts and charges to which the finished goods would have been subject had no loss occurred; and
4. on Valuable Papers and Records, the value blank plus the cost of transcription from duplicates or from originals, but this policy does not insure against the cost of reconstructing such records, unless endorsed hereon; and
5. on media, data, programs or other software stored on, or for use with, any computer or other electronic and electromechanical data processing and production equipment, the cost of reproducing such media, data, programs or other software from duplicates or backups or from originals of the previous generation of the data, programs or software,

JW ALUMINUM COMPANY

but this policy does not insure against any other cost, including research, engineering, or programming, of restoring or recreating data or programs lost, unless endorsed hereon; and

6. on catalysts or refractory material, the actual cash value of the material which equals the replacement cost at the time of loss or damage times the Remaining Useful Life Factor. The term Remaining Useful Life Factor means the normal useful life of the material in months minus the number of months the material had been in use at the time of the loss or damage, divided by the normal useful life of the material in months; and
7. on all other property covered by this policy, the cost to repair or replace the damaged property with materials of like kind, size, capacity and quality subject to:
 - a. liability under these terms shall not exceed the smallest of the following:
 - i. the cost to repair, rebuild or replace on the same site with material of like kind, size, capacity and quality, whichever is smallest; or
 - ii. the actual expenditure incurred in repairing, rebuilding or replacing on the same or another site but not to exceed size and operating capacity that existed at the time of loss, whichever is smallest.
 - b. in the event of direct physical loss or damage to property which is not repaired, rebuilt or replaced within two (2) years from the date of direct physical loss or damage, this Company shall not be liable for more than the actual cash value (with proper deduction for depreciation) of the property destroyed.

All of the above to be computed as of the time and at the place of loss when, with due diligence and dispatch, rebuilding, repairing or replacement of the damaged or destroyed property could be effected.

V. DEFINITIONS

A. Earth Movement

The term Earth Movement shall mean any natural or man-made earth movement, including, but not limited to, earthquakes, shocks, tremors, landslides, avalanches, subsidence, sinkhole collapse, mud flow, rock fall, volcano, or any other similar earth movement.

B. Flood

E. Occurrence

The term Occurrence shall mean any loss or series of losses arising out of one event, regardless of the number of locations affected. However, as respects the perils of Earth Movement and Flood, the term Occurrence shall mean the sum total of all the losses sustained by the Insured as the result of damage from Earth Movement or Flood which arise during a continuous period of seventy-two (72) hours. The Insured may elect the moment from which each of the aforesaid periods of seventy-two (72) hours shall commence; but no two such seventy-two (72) hour periods shall overlap.

Occurrence shall not mean "continuous or repeated exposure to conditions" unless physical loss or damage insured against by this policy ensues, and then this policy shall only cover such ensuing loss or damage; nor shall Occurrence mean "loss of use of tangible property that has not been physically injured or destroyed."

F. Premises Described

The term Premises Described means any location described in the Declarations of this policy or included as a Miscellaneous Unnamed Location or as a Newly Acquired Location, if applicable.

The term Valuable Papers and Records shall not include media, data, programs or other software stored on, or used with, any computer or other electronic or electromechanical data processing and production equipment.

JW ALUMINUM COMPANY**ENDORSEMENT - ACCOUNTS RECEIVABLE**

This policy is extended to cover any shortage in collection of accounts receivable, resulting from direct physical loss or damage insured against by this policy to the Insured's books of account or other records, subject to the following conditions:

- A.** In the event of loss hereunder, the Insured shall use all reasonable diligence and dispatch, including legal action, if necessary, to effect collection of outstanding accounts receivable, the records for which have been destroyed, and the extra cost, if any, incurred thereby shall constitute a claim to the extent that it reduces the loss hereunder. This Company shall also be liable for interest charges on any loan to offset impaired collections pending repayment of such sum uncollectible as the result of such damage or destruction.
- B.** Unearned interest and service charges on deferred payment accounts and normal credit losses on bad debts shall be deducted in determining the recovery hereunder.
- C.** The settlement of any loss hereunder shall be made within ninety (90) days from the date of such damage or destruction, and all amounts recovered by the Insured on accounts receivable outstanding at the time of such damage or destruction shall belong, and be paid to, this Company by the Insured up to a total not exceeding the amount of loss paid hereunder, but all recoveries in excess of that amount shall belong to the Insured.
- D.** In the event it is possible to reconstruct the Insured's accounts receivable records after they have been damaged or destroyed so that no shortage in collection of accounts receivable is sustained, this Company shall be liable only for the cost of material and time required, with the exercise of due diligence and dispatch, to re-establish or reconstruct such accounts receivable records, but only so far as not covered by any other form of insurance.
- E.** This endorsement does not apply to loss due to bookkeeping, accounting or billing errors or omissions, or errors or omissions in machine programming or instructions to machines, or computer error or malfunction of any kind or nature.

B. EXCLUSIONS

The Company shall not be liable for any Actual Loss Sustained:

1. For any time during which business would not, or could not, have been conducted had direct physical loss or damage to the Premises Described in the Declarations, as insured against hereunder, not occurred.

The Period of Interruption shall not include any additional time required for making changes to buildings, equipment or contents, regardless of the reason(s) for the changes, except as provided for in the Demolition and Increased Cost of Construction provision of the Additional Coverages section, nor does it include any additional time required for restaffing or retraining employees or for delay of any kind caused by labor disputes including strikes; and

If a number of hours/days apply as a Time Element deductible, then this Company shall not be liable for any losses under this Time Element endorsement occurring during the specified number of hours/days immediately following the Occurrence.

If a multiple of the Average Daily Value deductible is indicated for Time Element coverage, then the deductible amount shall be calculated as follows. With respect to any loss or expense for which the Company would be liable under the Time Element coverage(s), there shall first be deducted the amount obtained by multiplying the Average Daily Value for the affected location(s) at the time of such loss by the factor shown in the Declarations of the policy. The Average Daily Value will be determined by dividing the actual amount of net profits, fixed charges and expenses that would have been earned had no loss occurred by the actual number of working days, had no loss occurred, during the period of interruption, with due consideration being given to the experience of the business before the loss and the probable experience thereafter.

Named Insured..... JW Aluminum Company

Policy Number. See Participation Page

Endorsement No...I

Effective Date. 12/31/2019

THIS ENDORSEMENT CHANGES YOUR POLICY. PLEASE READ IT CAREFULLY.

This Policy excludes loss, damage, cost or expense, arising directly or indirectly as a result of a "certified act of terrorism" as defined by the Terrorism Risk Insurance Act of 2002, as amended ("the Act"), and any revisions or amendments thereto, regardless of any other cause or event contributing concurrently or in any other sequence to the loss.

For purposes of this endorsement and in compliance with the Act, "certified act of terrorism" shall mean an act that is certified by the Secretary of the Treasury in consultation with the Secretary of Homeland Security and the Attorney General of the United States, to be an act of terrorism pursuant to the Act. The criteria contained in that Act for a "certified act of terrorism" include the following:

1. The act resulted in aggregate losses in excess of \$5 million; and
2. The act is a violent act or an act that is dangerous to human life, property or infrastructure and is committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

However, if an act of terrorism results in a fire and the direct physical loss or damage to property insured hereunder located in any State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the Commonwealth of the Northern Mariana Islands, American Samoa, Guam, each of the United States Virgin Islands and any territory or possession of the United States, that, either pursuant to the Standard Fire Policy or otherwise, prohibits exclusions for acts of terrorism that result in fire, this Company will pay for the loss or damage caused by that fire. Such coverage for fire applies only to direct loss or damage to property insured hereunder and may be limited, in accordance with the Standard Fire Policy to the lesser of the actual cash value of the property at the time of the loss, or the amount which it would cost to repair or replace the property, without allowance for any increased cost of repair or replacement by reason of any ordinance or law, and without any compensation for business interruption, extra expense to continue business activities, or any other coverage for loss or damage other than direct physical loss or damage to the property insured hereunder.

With respect to fire resulting from any one or more acts of terrorism, this Company will not pay any amounts for which this Company is not responsible under the terms of the Act (including subsequent Congressional action pursuant to the Act) due to the application of Section 103 of the Act or any clause that results in a cap on our liability for payments for terrorism losses.

THE TERRORISM RISK INSURANCE ACT, AS AMENDED, CONTAINS A \$100 BILLION CAP THAT LIMITS U.S. GOVERNMENT REIMBURSEMENT AS WELL AS INSURERS' LIABILITY FOR LOSSES RESULTING FROM CERTIFIED ACTS OF TERRORISM WHEN THE AMOUNT OF SUCH LOSSES IN ANY ONE CALENDAR YEAR EXCEEDS \$100 BILLION. IF THE AGGREGATE INSURED LOSSES FOR ALL INSURERS EXCEED \$100 BILLION, COVERAGE MAY BE REDUCED.
